

## Registered / Enrolled Nurses

- **Various locations throughout WA**
- **Secure, permanent positions available**
- **Expressions of interest welcome**

Business Solutions (WA) are currently looking to recruit a small group of Registered or Enrolled Nurses for various positions based both locally and in remote WA.

These positions provide the opportunity to develop a professional career within the healthcare industry, whilst offering the chance to experience working environments that present new experiences and challenges.

All interested applicants must hold a current Police Clearance, and have proof of education or a record of studies towards a nursing degree. Current registration with the WA Board of Nursing is desirable, yet not essential.

Successful candidates will have a commitment to professional development, strong written and verbal communication skills, a sound level of computer literacy, and be able to work independently and as part of a team.

All applications must be emailed, which includes a cover letter explaining your current working situation, your suitability for the position, and your required notice period, along with a resume which details your qualifications and key skills.

For any further queries, please contact Del on (08) 9581 2300, or email your application to [del@bussol1.com](mailto:del@bussol1.com)
