

Shutdown Workers

We have upcoming shutdown work for Boilermakers, Welders, Scaffolders, Riggers and Mechanical Fitters

Must be trade qualified and ticket requirements will change for each individual shutdown however you will ideally possess your Working at Heights, Confined Spaces and have been previously been site inducted at either Rio, BHP or any other larger sites.

Please forward your cv with copies of all your tickets to the contact details below

For any further queries, please contact us on (08) 9581 2300, or email your application, together with relevant qualifications, to reception@bussol1.com
